The IOOF Seniors Homes Inc. is dedicated to enhancing the lives of seniors through innovative supportive programs, health care services, and housing solutions. - **Supportive Housing and Rent-Geared-to-Income:** Comprising 80 units, situated at 20 Brooks St., Barrie;
- **Long-Term Care:** A facility with 162 long-term care resident beds and a specialized 20-bed Convalescent Care unit, based at 10 Brooks St., Barrie.

We are seeking new board members who can augment our team's diverse skills and experiences, particularly in the following areas:

- Communications, Media, and Public Relations;
- Human Resources and Performance Management;
- Engineering/Architecture;
- Business Management;
- Continuous Quality Improvement (CQI)/Risk Management;
- Legal Expertise;
- Governance Relations.

Board members collaborate closely with the CEO and other board members in strategic planning, supervising organizational performance, pursuing continuous quality enhancement, managing risk, and ensuring the long-term sustainability of the organization. The Board convenes six times annually.
